Rzeszów, December 2015

REFERENCE LETTER

Acting on behalf of the consortium leader, Inżynieria Rzeszów S. A. seated in Rzeszów, we are pleased to inform that the Law Firm *M. Wojciechowska i Wspólnicy Kancelaria Prawnicza Sp. k.* provided comprehensive legal services related to the investment project entitled "Construction of Burakowski-Bis trunk sewer at Marymoncka Street, section from Żeromskiego Str. to Trasa Mostu Północnego in Warsaw" whose value amounted to over 230 million PLN.

The contract was executed by the Consortium of companies comprising Inżynieria Rzeszów S.A., Besta Przedsiębiorstwo Budowlane Sp. z o.o., Sack Invent Poland Sp. z o.o. and Abikorp Przedsiębiorstwo Robót Inżynieryjnych Sp. z o.o., during the period from November 2013 to November 2015.

During the contract performance the Law Firm took active part in meetings, consultations and discussions at the stage of negotiations of contractual terms and conditions. It prepared agreements related to the contract, in particular the general contractual conditions and specific contractual conditions along with annexes, agreements with subcontractors, assignment of liability agreements, etc. Furthermore, the Law Office provided legal advisory services throughout the project implementation, i.e. until November 2015.

During the period of cooperation on many occasions we could count on support from the team of the Law Firm involving examination of highly specialist legal issues and requiring individual approach and fast response.

The lawyers of the Law Firm exhibited large experience, knowledge and ability to work with entities involved in the construction process, which without doubt significantly contributed to the final success of the implemented investment project.

We can earnestly recommend the Law Firm: *M. Wojciechowska i Wspólnicy Kancelaria Prawnicza Sp. k.*, as an expert in the field of construction law and in legal services for large investment projects.
