### Reference Letter

Promost Consulting Sp. z o. o. is a company operating in the Polish market 2003; it was established to manage infrastructure related projects.

Looking for specialists in the field of law, with large experience, we started cooperation with the highly reliable and competent partner - the Law Firm *M. Wojciechowska i Wspólnicy Kancelaria Prawnicza Sp. k.* in the area of complex legal services.

The Law Office has been effectively providing the Company with assistance in the management of such projects as:

- „Construction of S-7 National Road, with parameters of expressway, the section from: End of Radom by-pass to the border of Mazowieckie Province”,
- „Construction of S-7 Expressway, the section: Jędrzejów - border of Świętokrzyskie and Małopolskie Province”,
- „Project management related to designing and construction of A-4 Rzeszów - Korczowa Motorway, the section between Jarosław Wierzbna Junction - Korczowa - length of approx. 47 km,
- „Continuation of design and construction of S-19 Expressway, the section from North Sokołów Małopolski Junction to Stobierna”,

- „Design and construction of S-8 Expressway from Marki junction to Kobyłka junction”,
- „Management and supervision of the investment entitled „Construction of A-4 Motorway, the section from Rzeszów to Jarosław”.

Legal consultancy provided by the Law Firm included drawing up and reviewing any contractual documents, agreements with subcontractors and other documents connected with the projects, as well as ongoing analyses of any law related issues.

During our cooperation so far all the projects were carried out by the Law Firm in a reliable and expert manner, conforming with the high standards defined by economic entities for the performance of large investment projects requiring specialist knowledge of laws and extensive experience.

It is necessary to emphasize the commitment of the Lawyers from the Law Firm and their highly competent and complex approach to any matter requiring examination.

Based on our previous cooperation experience we can earnestly recommend the Law Firm *M. Wojciechowska i Wspólnicy Kancelaria Prawnicza Sp. k.* as a specialist in the field of Construction Law and legal administration of large investment projects.
