M. Wojciechowska i Wspólnicy

Kancelaria Prawnicza Sp. k.

REFERENCE LETTER

Promost Consulting T. Siwowski Sp. j. is a Polish company, established in 1995, and its operation focuses on designing road and rail infrastructures, and environmental engineering solutions, as well as providing complex handling of such investments.

In order to meet the Company's needs in June 2013 we started cooperation with the Law Firm: *M. Wojciechowska i Wspólnicy Kancelaria Prawnicza Sp. k.* related to comprehensive legal services.

The Company has been receiving effective support from the Law Firm during the performance of large road engineering projects, at the stage of negotiations and signing agreements for design works, as well as during their implementation, project designer supervision and during settlement of liabilities with customers. The Law Firm also represents the Company during law suits aimed at asserting claims resulting from agreements for design services.

Services provided by the Lawyers from the Law Firm reflect their proficient knowledge of the relevant subject matter and understanding of the Company's actual needs.

The Law Office approaches all the appointed tasks with commitment, in each case making effort to examine and understand the legal issues in a comprehensive manner, and this way contributes to securing the Company's interests.

Herein, acting for Promost Consulting T. Siwowski Sp. j., I wish to acknowledge the professionalism of services rendered by *M. Wojciechowska i Wspólnicy Kancelaria Prawnicza Sp. k.*, at all the stages of our cooperation and to recommend it as a reliable and open-minded Partner.
