

Rzeszów, 22th July 2019 r.

REFERENCES

Acting on behalf of Develop Investment Ltd with its seat in Rzeszów, I hereby grant a positive recommendation for M. Wojciechowska & Partners Legal Office Limited Partnership with its seat in Rzeszów - the Legal Office, that from 2014 to date, has been providing comprehensive legal services for our Company in all areas of its activities.

During this period the Legal Office:

- 1) along with the accounting and technical teams of the Company conducted comprehensive settlement of the construction of Millenium Hall Shopping Center in Rzeszów. The responsibilities of the Legal Office was the final settlement of some of the works contractors, along with the implementation and carrying out removal defects and malfunctions procedure, release or use of securities for proper performance of the contract in accordance with the procedures prepared by the Legal Office;
- 2) successfully represented the Company in lawsuits related to the financial settlement of the construction of the Millennium Hall Shopping Center;
- 3) effectively represented and still represents the company in lawsuits and administrative proceedings concerning regulation of the legal status of certain real estates;
- 4) advising on matters concerning handling of credit and credit-related security;
- 5) participated and continue to participate in all important matters related to operating activities of the Company, including the negotiation process of lease agreements, executing the agreements and running the lawsuits related to the lease relationships.

We recommend the Law Office as a professional, reliable and experienced partner for realization of complex projects related to construction law, and settlement of construction projects, real estate law, company law, as well as handling difficult court cases.
