

REFERENCES

The board of the company Bogdan Duplaga Instalatorstwo Sp. z o.o. with its seat in Raławówka hereby declares that since 2015 *M. Wojciechowska & Partners Legal Office Limited Partnership* has been providing permanent legal services for the Company.

During this time, the Legal Office has been advising the Company on corporate matters, including in particular preparation and then conducting process related to the redemption of shares in the Company and reduction of its share capital. In addition, it has been conducting all corporate issues of the Company.

In addition to the scope indicated above, the Legal Office has been providing legal services in the field of so-called company's day-to-day business activity, including i.a. advising and making opinions in legal terms on construction contracts in the field of sanitation and rainwater sewerage, reconstruction of sanitary and rainwater sewerage, executing gas installations in connection with implementation of road investments (expressways and national roads) and investments regarding public utility facilities. In the framework of cooperation so far, the legal advisers and the lawyers from the Legal Office have been making opinions and assisting the Company in negotiating contractual terms, and in resolving issues related to the settlement of contracts and payment of remuneration.

Many years of cooperation with the Legal Office in the field of corporate services, as well as matters related to construction law and the broader implementation of construction investments allow us to positively recommend this Legal Office.
