## RECOMMENDATIONS

Acting in behalf of **AKRO DEVELOPMENT Sp. z o.o. Sp. k. with its seat in Rzeszów** (KRS no. 0000731807), we hereby confirm that the Company has been using the services of the M. Wojciechowska & Partners Legal Office Limited Partnership based in Rzeszów for a long time and we recommend cooperation with this Legal Office.

The Legal Office has been providing us with professional legal assistance in the company's current affairs for over a year. In the course of the cooperation so far, legal advice has included, in particular:

- support in the process of preparing and implementing construction investments, taking into account development aspects (housing construction),
- financial settlement of investment processes, including seeking redress in court and arbitration proceedings,
- construction, negotiation and conclusion of general contractors' contracts, construction works contracts with subcontractors and contracts for the performance of design works,
- ongoing legal analyses.

Professionalism, punctuality and reliability are the features that distinguish the Legal Office in the market of legal services. Particular emphasis should be given to the involvement of the Legal Office lawyers in carrying out all the commissioned activities. Therefore, we can certainly recommend the Legal Office to other business entities as a trustworthy partner for permanent cooperation.

Yours faithfully:
