## REFERENCES

Acting on behalf of Inżynieria Rzeszów S.A. with its registered office in Rzeszów ("the Company"), we hereby recommend M. Wojciechowska i Wspólnicy Kancelaria Prawnicza sp. k. with its registered office in Rzeszów ("the Law Firm") as a reliable, professional and experienced partner in providing legal services for business entities, in particular entities from the construction sector.

Since 1995, the Law Firm has provided permanent and comprehensive legal services to the Company, supporting it in its business activity, in particular in the scope of investment processes carried out by the Company.

The legal services provided by the Law Firm included primarily day-to-day legal advisory in all aspects of the Company's business activities, including, i.a.:

- 1) legal support at the stage of tender proceedings carried out under public procurement procedures;
- 2) on-going and comprehensive legal services for individual contracts executed by the Company, starting from the stage of their conclusion, through their execution, and then settlement, including contracts executed on the basis of FIDIC conditions;
- 3) preparing and providing opinions on drafts of contracts and agreements concerning the investment tasks executed by the Company, including contract documents, consortium agreements and implementation agreements; subcontracting and further subcontracting agreements, supply agreements, service agreements, etc;
- 4) active participation in the process of negotiating contracts and agreements concluded by the Company;
- 5) preparation of information, analyses, legal opinions and documents relating to contracts executed by the Company, including those concerning e.g. performance bonds, contractual penalties, withdrawal from a contract, acceptance procedures, notification and removal of defects, substitute and additional works, etc.;
- 6) preparing and providing opinions on contractual documentation related to the performance of contracts by the Company, including preparation and providing opinions on claims against other participants in the construction process and support at the stage of their procedure, including, i.a., participation in the preparation and procedure of time and financial claims against the Ordering Parties;
