## REFERENCES

We have been working with The Law Firm Wojciechowska & Wspólnicy sp. k., based in Rzeszów (hereinafter "the Law Firm"), since 2016, entrusting it with key public for PBI Infrastruktura S.A., based in Kraśnik (hereinafter "the Company") procurement matters.

Legal services provided by the Law Firm to the Company include, among others, preparation of explanations for ordering parties at the stage of tender proceedings, support in interpreting the provisions of the Terms of Reference (ToR), preparation of appeals against ordering parties' decisions and accessions to appeal proceedings, preparation and opinion of consortium agreements and implementation arrangements to these agreements, as well as representation in proceedings pending before the National Chamber of Appeals and the District Court in Warsaw - the Court of Public Procurement.

The value of individual tenders in which the Law Firm provided legal assistance ranged from PLN 1 million to nearly PLN 200 million, with the majority of these being proceedings exceeding the amount of PLN 20 million.

In the course of cooperation to date, the Law Firm's team providing this range of legal services has demonstrated extensive experience and a hands-on approach, as well as the utmost diligence, timeliness and full commitment to the implementation in the entrusted projects. The services provided by the Law Firm were comprehensive and fully professional.

The above gives grounds for recommending the Law Firm's services to other business entities that participate in tender proceedings conducted under public procurement and implement tasks awarded in this mode.
